Please send the photo to hello@familyfestministries.org with the subject line "WWJ26_(your name)". If you are unable to send a photo prior to camp, please bring your family to check-in, and we will be happy to take one for you there.

If you need anything at all during Winter Weekend, please ask one of these amazing people and they will be glad to help you in any way possible.

KCs (Kid Counselors)

Our kids' programs are powered by an amazing team of more than 28 trained high school and college students, along with young adults, all supported and guided by caring adult teachers. These KCs (Kid Counselors) bring incredible energy, creativity, and heart to everything they do!

Your children will have an absolute blast playing games, singing fun songs, building friendships, and discovering a great God who loves them more than they can imagine. They will be led by **Ryan Gallagher, Zach Richards, and Andra Johnson.**

Infant Program

Adjusting your usual bedtime routine can be challenging, but with a group this large, it isn't possible to tailor the schedule to individual families. Please be assured that our Workcrew and KCs (Kid's Counselors) are experienced and well-equipped to care for even our youngest campers. Children with earlier bedtimes may be placed in port-a-cribs in their program rooms, allowing them to sleep comfortably while you attend the evening adult program.

Kid's Programs

All kids from newborns to 9th grade will have age-appropriate programs led by the KCs. We will divide the groups into four groups consisting of infants; children up through 3rd grade; 4th through 6th grade; and 7th through 9th grade.

All kids will experience the love of Jesus Christ with games, activities, crafts, scripture, songs, and stories. Note that all groups except the infants will do outdoor activities and should bring outdoor clothes. Our leader for the **Infant through 3rd grade** is **Erika Hall and Hayley Farris**. The **4th-6th grade** leader is **Ruth Lenker**. And the leader for the **7th-9th grade** program is **Dianne DeKoning**.

The programs for infant through 3rd grade will be held in the Gull Lake Center. The 4th - 6th grade group and the 7th-9th grade will meet the first morning in the GLC lobby and then walk down to the Upper Room of the South Pool for their program.

Adult Program

The primary focus of our adult time is Club, with outstanding music, fun skits, relevant presentations, and small group discussions. We meet twice daily in the GLC Ballroom A.

On Saturday night and Sunday morning, kids will join us for the first 25 minutes of Club, and they'll return for the final portion on Monday. Outside of these designated times, we kindly ask that children not attend the adult sessions (except for non-mobile newborns).

Weekend Meals

With our move to the Gull Lake Center Ballroom A as our main meeting room, the dining area may feel a bit crowded. To avoid longer waits and enjoy more space, **consider arriving earlier for breakfast and dinner**. For lunch, we will implement two shifts to help distribute people more evenly in the dining room.

We kindly ask that you avoid lingering at your table for too long, especially if you notice others searching for a place to sit. If there's space available at your table and you see someone in need of a spot, please feel free to invite them to join you.

KCs who have families at the weekend will eat with their family on Saturday evening dinner.

Lodging

One of the best parts of Family Fest's Winter Weekend is Grand View Lodge's housing. Standard units will have a bedroom with 2 queen beds and a private bath. Most have a kitchenette and a small living room. Some of the larger units have several bedrooms connected to one common living room. This works well if you are coming with friends or family and would like to be housed together.

Note: All housing for Winter Weekend is handled through Family Fest. Please do not call Grand View Lodge for housing questions or requests, but rather refer those to Family Fest.

Prayer Cave

This is an optional event following our morning sessions. It is 10-20 minutes of prayer in the Gull Lake Center. Feel free to drop on by to pray with others at Winter Weekend.

Our January Speaker - Mike Carlson

We are thrilled to welcome Mike Carlson as our speaker for Winter Weekend. This will be Mike's second time speaking at Winter Weekend.

He married Tammy, his best friend from high school in 1993. They have three adult sons together, and two of them have followed in his footsteps in ministry.

Mike started his career in youth ministry. Today, he leads a vibrant, 9,000-member church, serving the community through meaningful worship, powerful music, and care for all people. At the heart of it all is a simple truth: "we love because we have been loved."

Mike is driven by a deep love for the Gospel and a passion for sharing God's grace. As he puts it, "The message of grace that sets us free compels me to share the Good News of Jesus—because our Creator deeply loves the world."

What to bring

For Your Kids:

Lots of outdoor clothes (labeled with child's name on them), night-lights, swim diapers, baby gates, porta-cribs, sleeping bags (if your kids want to use them), room snacks & beverages, humidifier (rooms can get dry), fan (for blocking noise if you are a light sleeper). Grand View has some high chairs, booster seats and port-a-cribs. If you think you may need these, please let Amy DeCrans at Family Fest know and she will work on getting them to your room before you arrive.

Fun Stuff:

Bring ice skates, skating helmets, hockey sticks, sleds, cross country or downhill skis, and other sporting equipment, swim suits, goggles, warm clothes, games, cards, movies, etc.

Treats

In addition to your own room snacks, it would be great if you would bring a pan of **nut-free** bars or cookies to share during adult Club time. These will be out during breaks along with coffee, tea and water.

Sunday Night Adult Dinner:

On Sunday night, we will have a special dinner for adults only. Some people dress up (business casual) for this dinner, but there are no expectations. After you feed and drop off your kids at their program, you will come back to the lodge dining room for a social time before dinner. We would ask that people would not hang out in the Pub, but rather come up to the dining room where you may purchase drinks.

Allergies & Special Diets:

Family Fest desires to meet the needs of everyone who comes to Winter Weekend. We understand that some people may have allergies or special dietary needs.

It is important that we know about allergies or other pertinent medical information of children so we can alert the teachers and KC's. If you have a child with an allergy or medical condition, please go to www.familyfest.org under the Winter Weekend tab and fill out the form for each individual.

We will do our best to meet those with special diet needs with substitute/alternate food options. If you have special dietary needs, please complete the Family Fest Dietary Needs Form from our website one week before camp.

Auxiliary Workcrew:

We're so blessed to have an incredible group of workcrew volunteers dedicated to serving you during Winter Weekend. There are a few moments when they could use extra hands. If you're available and willing to assist, please let us know before camp so we can find a good fit for you. Once at Grand View, you can connect with our workcrew leader Dan Moran.
